

# Model publishing workflow of the Scholarly Publishing Office (SPO) of the University of Michigan University Library

SPO's workflow is periodically revised to streamline the publishing operation. The flowchart below documents the ideal workflow for an established collection (a serial of which we've published at least one issue, or a monograph collection of which we've published at least one item).

The latest version of this document can be found at <<http://www.ultraslavonic.info/projects/20080609/>>.
